**GPS Location:** 35.3278 X -85.5509  
**Whitetail**  
**Turkey**  
**Small Game**  
**Residential**

63+/- acres This property is off the grid and would make a perfect place to park a camper during hunting season. The land has beautiful mountain views, and great topography for enjoying the outdoors. Plenty of wildlife such as deer and turkey. Property like this will not last long. A survey must be completed before closing. Minutes from Tracy City and the several parks such as Salvage Gulf State Natural Area and Prentice Cooper State Forest
