Residential

Downtown living just north of the city with brand new construction. Located at the base of beautiful Signal Mountain, this building has been completely rebuilt from the studs and is the only one of its kind in the Signal View complex. High quality materials and finishes like hardwood engineered flooring, granite countertops, and Whirlpool appliances really show off how nice this unit is. Terrific value and priced to sell compared with neighboring condo communities. Signal View amenities include a community pool, huge park, large pond, and a nearby walking trail. There are numerous storage units available off site. Less than a 5 minute drive to shopping, dining, schools, and hospital. Countless area attractions and hiking trails nearby make this an ideal location for those with an active lifestyle. Perfect for small families, college students, or individual living.***Buyer is responsible to do their due diligence to verify that all information is correct.
